

Title: Cura Companion Care Guide

Sections:

1. Elderly Care Tips

- Ensure regular meals and hydration.
- Encourage gentle exercise and mobility.
- Maintain a consistent daily routine.
- Provide companionship to reduce loneliness.

2. Palliative Care Guidance

- Focus on comfort, dignity, and emotional support.
- Manage pain and symptoms according to care plan.
- Communicate openly with healthcare providers.
- Encourage family involvement in decision-making.

3. Mental Health Support

- Promote social interaction and activities.
- Encourage hobbies, reading, or light exercises.
- Recognize signs of anxiety or depression.
- Offer gentle reassurance and listen actively.

4. Caregiver Support

- Take regular breaks to avoid burnout.
- Seek support groups or counseling if needed.
- Stay informed about patient needs and care options.
- Practice self-care: sleep, nutrition, and stress management.
